You certify that your answers to all questions in your program application and scholarship application (if applicable) are true and complete to the best of your knowledge.

3. Scholarship Conditions.

Somakodi School scholarships provide a specified Kenya shilling amount toward the price of tuition for the scholarship recipient(s) to attend one Somakodi School program. All scholarships are subject to the availability of funds and based on the satisfaction of scholarship conditions. The amount and number of scholarship awards may vary at our discretion based upon the number of scholarships awarded and the calibre of applications received.

Unless otherwise specifically stated in a particular scholarship's separate terms and conditions, scholarship funds may only be applied to Somakodi School tuition; any fees, books, software, or other materials needed for the program may not be purchased or covered by scholarship funds. Any amount awarded in excess of a scholarship recipient's tuition owed will be forfeited. If your total tuition exceeds the value of the scholarship, you shall remain responsible for payment of the balance of your tuition obligations. Students will also be responsible for any additional fees associated with their chosen program.

Scholarships may not be applied retroactively. If a scholarship recipient subsequently transfers to a different Somakodi School program or later start date, their scholarship award amount may be transferred to such other program at Somakodi School's sole discretion. The scholarship may not be applied in conjunction with any other Somakodi School scholarship or tuition credit. If a student is a chosen recipient for more than one scholarship, the higher scholarship amount will prevail.

The scholarship may be forfeited if:

- you withdraw or are dismissed from the course;
- you are found to have made any false or misleading statements in connection with your application for the scholarship or the Program;
- you engage in misconduct in violation of Somakodi School's Code of Conduct or otherwise materially violate applicable policies or any agreement between the student and Somakodi School.
- Scholarship recipients will also be required to sign an individual scholarship award agreement or grant letter, which may contain additional terms. In the event of any inconsistency or conflict between these scholarship terms and conditions and the terms found in the individual scholarship award agreement or grant letter, the terms of the award agreement/grant letter shall govern and control.

4. Privacy And Use Of Personal Information.

If you submit an application, we will process your personal data. We need to use your personal data to administer the scholarship program (to assess applicants and to contact you).

Any information you submit will be used as provided in our privacy policy, located [here](#). All applicants agree to receive email communications from Somakodi School.
